

CG36DBW5Z
Cordless Grass Trimmer
36V

4966376336302

MULTI VOLT power for less noise and emission-free working

Perfectly balanced for easy swinging

Brushless motor for highest durability

Specifications

Cutting capacity	310 mm
Voltage	36V
No-load speed	4000 - 6500 rpm
	Eco: 120 min.
Operation time under load with BSL36B18	Normal: 70 min.
	Power: 39 min.
Type of switch	Trigger
Type of handle	Bike handle
Dimensions L x W x H	1803 x 623 x 555 mm
Weight with BSL36B18	5.1 kg

Characteristics

- Perfectly balanced due to motor location at the rear for less fatigue and easy swinging
- MULTI VOLT battery for less noise and emission-free working
- Lightweight design for more operator's comfort
- Safety lock at the handle for working safety

Standard accessories³

- Nylon head
- Guard
- Wrench
- Protective glasses
- Shoulder belt

¹ Weight according to EPTA-Procedure 01/2014.
