

NR1890DC

18V Framing nailer

High driving performance

Brushless motor

No gas, or compressor required

Li-ion

Features

- High efficiency brushless motor
- No air hose or compressor required
- Eliminates the cost of fuel cells
- Air/spring drive system means less recoil, better flush driving and easier maintenance
- High stable driving power allows the nailer to drive nails up to 90mm into lumber with ease
- Selective activation button; sequential or bump fire mode
- Tool free adjustment of drive depth
- Lock switch and 30 minute automatic shutdown for increased safety and longer battery life
- Dry fire lockout system prevents nailer from driving when fasteners are low
- Low battery indicator
- Pivoting rafter hook

Included accessories

- Safety glasses

Specification

Nail width	2.9-3.3mm
Nail Length	50-90mm
Nail capacity	47 nails
Driving speed	Up to 2 nails per second
Length	342mm
Weight	5.1kg inc battery

Variants

NR1890DCJPZ

Includes 2 x 5Ah batteries, charger and stackable case
GTIN 4966376327829

NR1890DCJ4Z

Body only with stackable case
GTIN 4966376327812
